 Welcome to Saltair Townhouse, a fully upgraded luxury residence in the prestigious gated community of The Shores, Grand Cayman. This stunning 4-bedroom, 4-bathroom home has been meticulously reimagined to offer a refined, modern lifestyle, where timeless design meets effortless island living. Spread across three beautifully appointed levels, Saltair features over 3,000 square feet of bright, open-plan space, with custom millwork throughout that adds warmth, sophistication, and craftsmanship at every turn. The heart of the home is a designer chef's kitchen, ideal for entertaining or family dinners, flowing seamlessly to your private fenced back garden, a tranquil retreat for outdoor living and pets. At the top, your rooftop terrace offers breathtaking ocean views, perfect for watching the sunrise with a morning coffee or hosting sunset gatherings under the stars. And with a full outdoor kitchen, your entertaining possibilities extend far beyond the indoors. The residence is beautifully appointed with IDG furnishings throughout, offering a timeless Caribbean elegance that perfectly complements the expansive open-plan design. Each room has been thoughtfully curated with high-quality, investment-grade pieces, creating a cohesive and refined aesthetic that is both welcoming and sophisticated. In addition, the home features a high-efficiency 18 SEER2 air-conditioning system — a significant advantage in Cayman — delivering superior cooling performance while meaningfully reducing monthly electricity costs. Together, these elements enhance both the lifestyle appeal and long-term value of the property. The community lifestyle is second to none. Enjoy access to pickleball and tennis courts, a boat dock, and rare private gated access to Barkers Beach, where powder-soft sand and nature trails await, just steps from your door.
