Positioned in a high-visibility location on the edge of George Town's commercial centre, this well-located retail property offers a rare opportunity within one of the island's busiest business corridors. The building comprises approximately 2,300 sq. ft. of ground-floor retail space, along with a large second-floor area suitable for offices, storage, or additional operational use. The flexible layout accommodates a variety of commercial uses. The property is currently occupied by a strong, established tenant, providing immediate income for investors. Benefiting from consistent commuter traffic and cruise-ship visitor footfall, the location ensures excellent exposure and accessibility. A standout feature is the ample on-site parking, an increasingly valuable asset in the George Town area. An exceptional opportunity for investors or owner-occupiers seeking well-positioned commercial space in the heart of Cayman's business district.
