This attractive 0.5007-acre parcel offers the perfect canvas for a custom home in the peaceful East End of Grand Cayman. Located directly across the road from the ocean, the property enjoys a desirable position in one of the island's most authentic and unspoiled areas. With an elevation of approximately 20 feet above sea level, the lot offers naturally well-drained land and excellent building potential, subject to planning approval. Whether you're planning a full-time residence, a vacation home, or a long-term investment, this property offers space, privacy, and the opportunity to become part of a community that continues to grow while retaining its relaxed island character. For buyers looking for additional acreage, neighbouring half-acre lots are also available.
