Rare oversized beachfront parcel offering 1.25 acres with approximately 215 feet of ocean frontage. Broadly regular in shape and ideally positioned along South Side East Road, with over an acre on the sea-front side. A unique blend of sandy beach and ironshore provides spectacular Caribbean views and endless potential for a luxury residence, family compound, vacation retreat, or boutique development. Large beachfront holdings with this level of frontage are seldom available in Cayman Brac—an exceptional opportunity to invest in one of the island's most desirable coastal locations.
