Sun Rose Canal-Front 4 Bedroom Home – North Sound Estates
Space, Privacy, and a Boating Lifestyle from Your Own Backyard
Designed around the freedom of canal-front living, this four-bedroom, 3.5-bathroom family home in North Sound Estates offers approximately 3,300 square feet of living space on a 0.25-acre corner lot. Bright interiors, private gardens, a fully fenced backyard, swimming pool, and substantial L-shaped dock create a home where indoor and outdoor living come together naturally. Generous windows bring abundant natural light into the open-plan living areas, creating an inviting central space for family life and entertaining. The kitchen, dining, and living areas flow comfortably together, while four bedrooms provide plenty of room for a growing family, visiting guests, or flexible working space. Views toward the canal and pool further connect the interior with the waterfront setting beyond. Outside is where the property truly comes into its own. A beautiful screened patio provides a sheltered place to dine or unwind, overlooking the private garden, pool, and canal. The fully fenced grounds offer valuable privacy and space, while an outdoor gym adds another dimension to everyday living. A two-car garage and driveway provide ample parking and practical storage. For boaters, the large L-shaped private dock is a defining feature. From home, the waterways provide convenient access to the North Sound, with Kaibo approximately 10 minutes away by boat and Camana Bay approximately 20 minutes away by boat, making the water as much a part of daily life as the road. North Sound Estates offers a quieter, family-oriented environment surrounded by the natural character of this part of Grand Cayman, including mangroves and native birdlife such as Cayman parrots. Countryside Shopping Village is nearby for groceries, restaurants, services, and everyday essentials, while the neighborhood itself provides the calm and space of an established residential community. For a family seeking room to grow or a boating enthusiast wanting the North Sound within easy reach, this Sun Rose Street home offers something increasingly valuable: a private canal-front lifestyle with generous outdoor space, its own dock, and the convenience of everyday amenities nearby.
