Adding another exciting dimension to this offering is the prospect of a future redevelopment of Cayman Reef Resort into a prestigious luxury residential community. Discussions are currently taking place among the strata ownership regarding the possible transformation of this prime beachfront property. Cayman Reef Resort itself offers beautifully maintained tropical grounds, a generous swimming pool, tennis court and direct access to one of the world's most admired beaches. An on-site strata office provides additional convenience for owners. For those with an investment focus, this unit also benefits from an established short-term rental operation, offering an attractive opportunity to generate income while enjoying ownership in this remarkable location.
