Envision embodies what island living is all about. Imagine stunning ocean vistas of turquoise blue water and white sand as you walk the beach and watch the sun rise with your morning coffee. This stunning move-in-ready beachfront home is a rare find. The bright modern villa features open concept living with three bedrooms on the first floor which includes the master suite plus an office/ den with pull out sofa. Up one flight, you'll find two more guest bedrooms, perfect for the kids to have their own space to hang out. The newly furnished interior is infused with a calming color pallet throughout and a sense of serenity with just the right vibe for that chic beach feel. With ample space to entertain friends and family, Envision is the ideal beach house to enjoy indoor and outdoor living. You will question how you ever managed without the fully equipped outdoor kitchen, lap pool, relaxing hot tub and cabana for alfresco dining. Located just down the road is Cayman Kai, a well known beach community with activities and amenities for the entire family including boating, diving, snorkeling, kayaking and paddle boarding just to name a few. Enjoy Luna Del Mar full moon dining with delicious local and international cuisine with friends, neighbors and visitors from around the world. ENVISION white sand, soft cresting waves just steps away and calling it mine.
